Amy **Lee**

FRONT-END DEVELOPER · UX DESIGNER

✉ aselee@ucdavis.edu

Summary

Sophomore pursuing a B.S. program in Cognitive Science with a computational emphasis at University of California, Davis. Pursuing a double major in Design and a minor in Computer Science. Passionate towards designing mobile apps and building websites that can be used by others.

Skills

Programming	Python, HTML, CSS, Bootstrap, Javascript, JQuery, React, Swift
Design	Figma, Photoshop
Languages	English, Korean

Work Experience

Include   *Davis, CA*
FRONT-END DEVELOPER   *Mar. 2021 - PRESENT*

- Developed the Landing Page of a website for "Breaking Barriers"–an RSO that "breaks" the barriers between generations through projects.
- Translated Figma designs into code using HTML, CSS, Javascript, and React. Facilitated communications between design and code teams.
- Link to the "Breaking Barriers" website: https://breaking-barriers-davis.web.app/

Chabot Space and Science Center   *Oakland, CA*
GALAXY EXPLORER INTERN   *Jun. 2016 - Jan. 2020*

- Taught science to younger students in local communities.
- Led a group of volunteers to manage a newly built exhibit called the Luminous Moon (Apollo moon landing mission).
- Participated in the programming team to build educational space-themed games for younger students.

Projects

Portfolio Website   *Pleasanton, CA*
A COLLECTION OF MY PROJECTS   *Jun. 2021 - PRESENT*

- https://jayamy04.github.io/Web-Development/

Education

University of California, Davis   *Davis, CA*
B.S. IN COGNITIVE SCIENCE   *Sep. 2020 - PRESENT*

- Overall GPA: 3.914 / 4.000

Extracurricular Activity

Design Interactive   *Davis, CA*
DESIGN FELLOW   *April. 2021 - PRESENT*

- Attended remote events to improve my design skills (Figma, low-fi prototyping, high-fi prototyping).
- Discussed how to leverage human-centered design concepts to create impactful solutions.

Davis WiCS (Davis Women in Computer Science)   *Davis, CA*
MEMBER   *Sep. 2020 - PRESENT*

- Attended meetings to discuss the future of computer science for women.
- Participated in various social tech events to network with female undergraduates who are passionate in computer science.

Certifications

2021	**The Complete 2021 Web Development Bootcamp**, by Dr. Angela Yu	*Udemy*
